**REQUEST TO WITHDRAW ABANDONMENT AND,
ALTERNATIVELY, PETITION TO REVIVE**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Abandonment mailed February 6, 2007, it is hereby requested that the above-identified application be withdrawn from abandonment. Applicant's representative did not receive a Notice to File Missing Parts indicated as being sent for this application on December 14, 2005. As evidence, attached please find a copy of the applicant's docketed items for the two month response date (Feb. 14, 2006) on which a response to such a Notice would have been due. Also provided is a copy of the front of the applicant's file on which receipt of the Notice would have been indicated. Both evidence that no such Notice to File Missing Parts indicated for this application and this date was docketed or processed by the applicant. Applicant's undersigned representative states that no Notice to File Missing Parts indicated as being sent for this application on December 14, 2005, was received.

Applicants did expect to receive a Notice to File Missing Parts because the application was filed without a Declaration/Power of Attorney. However, no such notice was received to file this missing part. Applicants assume that the Notice was directed to this and, therefore, provide a copy of the Declaration/Power of Attorney herewith.

Applicants further point out that, for reasons unknown to them, the file is not available to them through Private PAIR, so it was not possible to check the status of the application or what the nature of the Notice might have been.

For the above reasons, applicant's representative urges that the above-identified application be withdrawn from abandonment and the missing Notice be re-sent to applicants.

Although applicants believe the application should be withdrawn from abandonment, applicants request that if withdrawal of the abandonment is not granted, that the application be revived for unintentional abandonment under 37 C.F.R. §1.137(a) or (b), as considered appropriate. For this purpose, the Commissioner is hereby authorized to charge any fees associated with this petition to Deposit Account No. 13-3402.

Respectfully submitted,
